

**TREWDLAND SCHOOL CURRICULUM MAP - ENGLISH, SCIENCE, GEOGRAPHY, HISTORY, ART AND DESIGN, LANGUAGES, COMPUTING AND MUSIC (Cornwall Inspire)**

	Class 1		Class 2			
year	a	b	a	b	c	d
Autumn	<p><b>Unit 1-What I Need To Be Me</b> How can I keep fit and healthy and make the right choices for me? Pupils will find out about exercise and food that will help them to grow and keep well.</p>	<p><b>Unit 1-The Big Build</b> In this Unit pupils will explore how we use materials to change the world around us. Linked to the story of 'The three little pigs', pupils will have the opportunity to construct 'houses' for the pigs from different materials.</p>	<p><b>Unit 1-Who Is Taking Control?</b> Pupils explore the idea of control through electricity and robot machines. We look to the future when machines take control!</p>	<p><b>Unit 1-Why Are Humans Animals Too?</b> What are the similarities between humans and animals in the way we eat and the way we move? Why can't snails jump? Pupils explore skeletal structures and muscles and what keeps them healthy?</p>	<p><b>Unit 1 – Where Does My Food Go?</b> This unit is an exploration of how our bodies use food we eat, how we use our teeth and how our bodies deal with waste.</p>	<p><b>Unit 1-To The Stars</b> In this Unit pupils will be exploring beyond earth and considering where and how it fits into the solar system. They will also consider our moon, the sun and will explore the phases of the moon and seasons.</p>
	<p><b>Unit 2-Through The Keyhole</b> This is a local history Unit based around a stately home or other historical building. Pupils will be encouraged to look at what the building is made of and think about 'who would live in a house like this?'</p>	<p><b>Unit 2-Who Am I?</b> Throughout this unit children will have the opportunity to express their individuality, explore their identity, develop their talents and understand their place in both their immediate and the wider world. Key questions that will be explored will include: Who am I? Where did my name come from? What am I like? What am I good at? What is special about me and where I live?</p>	<p><b>Unit 2-What's Happening Now?</b> This Unit is built around current affairs and focuses on a recent natural disaster either in the UK or abroad. Pupils will look at the geographical causes of the disaster and the impact on the landscape and people.</p>	<p><b>Unit 2-Set In Stone</b> This Unit explores the lives and legacy of early Britons and settlers, including those who lived during the Stone, Bronze and Iron Ages. Pupils will have the opportunity to consider how and why the ways of life adopted by prehistoric people slowly changed over time</p>	<p><b>Unit 2-Were the Dark Ages Dark?</b> This unit explores the Viking invasion and how it affected our land.</p>	<p><b>Unit 2-The Ancient Greeks</b> In this Unit pupils will explore Ancient Greece through Theatre, Myths, and Logic. Did their pioneering nature make them the first real geeks?</p>
	<p><b>Unit 3-Flying High</b> In this Unit pupils will explore man's fascination with flight. They will learn about the Wright brothers and the invention of powered flight and how aeroplanes have changed people's lives. They will also think about magical flying creatures including Father Christmas and his flying reindeer.</p>	<p><b>Unit 3-Let's Celebrate!</b> This Unit focuses on the traditions surrounding Christmas and other festivals taking place at this time of year. Pupils will make cards and decorations and look at how festivals were celebrated in the past.</p>	<p><b>Unit 3-A Voyage Of Discovery</b> In this Unit pupils will explore how adaptation can lead to evolution. Pupils will go on an imaginary voyage, with opportunities for writing letters, explanations, note-taking, recounts and discussions.</p>	<p><b>Unit 3-What's The Attraction?</b> In this Unit pupils explore a range of magnetic materials and their uses including compasses, which they use to explore the school grounds. They create maps and use grid references to help them complete a treasure hunt.</p>	<p><b>Unit 3-Batteries included</b> Pupils become electrical wizards who have power to make lights work!</p>	<p><b>Unit 3-Poles Apart</b> In this Unit pupils will explore their world through their understanding of the world poles and regions. They will explore Arctic myths and find out about the lives of famous polar explorers.</p>
Spring	<p><b>Unit 4-Blown Away</b> Through this Unit, pupils will gain an understanding of the natural world, comparing hot and cold regions of the world as well as viewing their own environment through the study of wind and clouds.</p>	<p><b>Unit 4-Posting And Places</b> This Unit will be developed around the idea of exchanging items through the post on a mystery tour which takes us to different places, discovering symbols such as flags which represent countries and places. The children also discover ways of voting through posting votes to make classroom decisions as an introduction to democracy.</p>	<p><b>unit 4 – Dragons Fact or Fiction?</b> This unit looks at the mythology surrounding Dragons around the world. Why are there so many stories about them and why do they fascinate us so much?</p>	<p><b>Unit 4-Fever, Fire And Fashion</b> In this historical Unit pupils learn about everyday life in London during the 17th Century. Frost fairs, bear-baiting, coffee houses, quack doctors and toxic cosmetics are amongst the many different curiosities pupils will enjoy learning about. They will also study in depth the impact of the Plague and Great Fire on the city and its people.</p>	<p><b>Unit 4-Art On Your Doorstep</b> This is an art based Unit looking at famous local artists and sculptors. The pupils will find out who the famous artists are in their town and how they have contributed to the diverse artistic history of this country.</p>	<p><b>Unit 4-Who's The Mummy?</b> In this Unit the children will find out about Ancient Egyptian culture including gods and goddesses, burial and mummification.</p>
	<p><b>Unit 5-Town Mouse, Country Mouse</b> In this Unit the pupils use the story of the town mouse and country mouse to explore a contrasting UK locality.</p>	<p><b>Unit 5-To The Rescue...</b> This Unit develops understanding of safety, helping people and exploring the emergency services of sea, land and air, in the local area or beyond. From the past, Grace Darling and Florence Nightingale may be used to inspire learners to understand how they help others and stay safe</p>	<p><b>unit 5 – The Good, The Bad And The Ugly</b> In this unit pupils will study the history of crime and punishment. They will find out about some of Great Britain's most notorious criminals and how the police force was set up to catch them!</p>	<p><b>Unit 5-Round And Round</b> This Unit is about the importance of life cycles. Life begins and ends for all organisms but unfolds in many different ways; there is an opportunity here to learn about the variety of life as well as the processes of reproduction, maturing and ageing. The twin themes of repeating patterns and the diversity of nature underpin activities such as musical performance, writing computing sequences and designing homes for animals.</p>	<p><b>Unit 5-Shake, Rock And Roll</b> This Unit explores rocks and earthquakes, how and where they occur. The pupils will find out about fossils and diamonds, lava and coal and everything in-between!</p>	<p><b>Unit 5-The Battle of Britain: Bombs, Battles and Bravery</b> This Unit will look at the 4 months in 1940 when The Battle of Britain was fought. Pupils will find out about the roles of women in this battle, the development and use of RADAR and how London survived the Blitz.</p>
	<p><b>Unit 6-Sowing And Growing</b> This Unit explores commercial farming and growing our own food and plant products, the conditions necessary to do so and the ways plants can be used.</p>	<p><b>Unit 6-The Potting Shed-Buried Treasure</b> This Unit will incorporate the concepts of growing become plant hunters who go on an exciting journey discovering both real and fantasy plants</p>	<p><b>unit 6 – Sounding Off</b> This Unit explores sounds and music across different subject areas. Pupils will answer questions such as how are different sounds made? How do our ears work? Do animals and humans hear in the same way?</p>	<p><b>Unit 6-No Way Back!</b> This Unit looks at the different changes materials can undergo and whether these changes are reversible or irreversible.</p>	<p><b>Unit 6-Around The World In 20 Days</b> This Unit encourages planning a travel challenge collecting information and artefacts and presenting it as a holiday package</p>	<p><b>Unit 6-Angry Earth</b> In this Unit pupils will find out all about Volcanoes and what causes them. They will try to find out why people still live by something so dangerous.</p>
Summer	<p><b>Unit 7-National Celebration-Two Queens</b> In this Unit children will study and compare the reigns of Queen Victoria and Queen Elizabeth the Second. They will look closely at the Diamond Jubilee celebration and recreate a traditional street party.</p>	<p><b>Unit 7-Brilliant Bodies</b> In this Unit the pupils will find out about the 5 senses and which part of the body each one of these senses is associated with. They will use these senses to explore their school grounds and create a sensory area for themselves and other pupils to enjoy</p>	<p><b>Unit 7-Rites And Rituals</b> A study of the Mayans. Were they the first writers, mathematicians and stargazers? What can they tell us about these things that are still true today?</p>	<p><b>Unit 7-From Source To Sea</b> This geography based Unit pupils will follow the course of river from its source to its destination. They will look at how the land alongside the river is used and what might be found there.</p>	<p><b>Unit 7-A Time To Shine</b> This is a dedicated revision Unit with accompanying resources. During this Unit pupils will also look at the history of British pop music and how it has influenced music across the globe.</p>	<p><b>unit 7 – Amazing Amazons</b> As well as studying the river, the land surrounding it and the people who populate it, the pupils will also study some of the more unusual aspects of this amazing river.</p>
	<p><b>Unit 8-Trading Places: Britain Or Brazil?</b> In this Unit pupils will find out about the geography of a different country and start to explore the countries culture through an imaginary 'Life Swap'.</p>	<p><b>Unit 8-Animal Allsorts</b> In this Unit pupils will find out about the many different types of animal that exists in our world and what makes them so special. They will find out how to categorise these animals and to think about where each type of animal might be found.</p>	<p><b>Unit 8-Our Commonwealth</b> What is the Commonwealth? Who are the members of the Commonwealth? This Unit explores aspects of the Commonwealth and its exciting make-up of communities around the globe.</p>	<p><b>Unit 8-What Did The Romans Do For Us?</b> Sewage systems; the calendar; paved roads; turnips and carrots are all things that were introduced to Britain by the Romans. But where did they come from and why were they here?</p>	<p><b>Unit 8-You Choose!</b> In this Unit the pupils learn about the heart and how it functions. They will learn about how diet, exercise, drugs and lifestyle can affect their bodies and their health.</p>	<p><b>unit 8 – It's A Small World</b> This unit will focus on how different individuals and groups of people have moved to a local area and bought about positive changes.</p>
